Some Notes for Pitch Counters:

1. It will be helpful to have a picture or copy of the lineup card for spellings, jersey numbers, etc.
2. Balks do not count as pitches, neither do unthrown pitches for intentional walks.
3. Make sure you are communicating to the teams what the pitch count is after each half inning.

Total Number of Pitches Thrown	Required Days of Rest
76 - 105	3 Calendar Days
51 - 75	2 Calendar Days
26 - 50	1 Calendar Day
1 - 25	No Rest Required

For District and Inter-District (state) contests, a pitcher may throw 105 pitches in a calendar day and throw no more than 210 pitches in a Calendar week. A pitcher reaching the maximum pitch count for any level of rest during an at bat may continue to pitch to that batter, or any substitute for that batter, until such batter is put out or reaches first base, or until a third out has been made prior to the end of that at bat. The pitcher will be credited with the maximum number of pitches for that level.

No pitcher may appear on more than 2 consecutive days of competition.

A pitcher is limited to no more than 210 pitches in a Calendar Week (Sunday through Saturday). If a pitcher throws more than 105 pitches to complete an at bat, that pitcher will be credited with 105 pitches for the appearance.

For District and Inter-District (state) contests a pitcher may throw 105 pitches in a calendar day and throw no more than 210 pitches in a Calendar week. All other rules and regulations apply to the pitching restriction. In addition, an official pitch counter, separate from each team, will be designated by the Contest Manager for the purpose of recording the pitch count.
